The Foundation

Andrew's Army, a 501(c)3 not-for-profit organization, was founded in the fall of 2006 in memory of Andrew James Vitner. Andrew was born in November 2005, fourteen weeks premature and was soon after diagnosed with Cystic Fibrosis. Andrew fought a courageous fight and surprised his parents, doctors, nurses and everyone around him on a regular basis. Unfortunately, Andrew's tiny lungs could not heal, and Andrew passed away in July of 2006 at eight months old. In the memory of Andrew and his fighting spirit his parents, Bob and Stephanie Vitner, founded Andrew's Army - The Andrew J Vitner Foundation (www.andrewsarmy.org). Andrew was an inspiration to many during his short life, and the foundation was formed in the hope that others would be inspired to join the fight for healthier, happier tomorrows for all children.

- **Mission:** The Andrew J Vitner Foundation is dedicated to fundraising and bringing awareness in support of research for treatments and cures for childhood illnesses, in the hope of improving the lives and families of those affected by these illnesses. The Andrew J Vitner Foundation holds integrity and honesty tantamount in its efforts.
- **Supporting:**
 - Children's Memorial Hospital in Chicago, IL. (resources are also used to provide holiday gifts to patients in NICU)
 - Greater Illinois Chapter of the Cystic Fibrosis Foundation
 - Local Chicagoland families (three since 2006)

A few words...

"Your desire to give back in this manner is such a wonderful way to honor the memory of your dear son, Andrew, while making a difference in the lives of the patients and families who are currently in our care. Thank you.

While we continue to make considerable advances in our ability to provide expert neonatal care, there is still so much more to be done to promote health and speed healing for seriously ill babies. Because these are not things that we can wait for, we are most appreciative of the philanthropic partnership of donors, like you." - [Robin Steinhorn, MD](#) Head, Division of Neonatology, Children's Memorial Hospital (2007)

"At Children's Memorial Hospital, we are lucky not to have to look far to find heroes. From our doctors, nurses, researchers and staff to the many donors, like The Andrew J Vitner Foundation, who so selflessly give to support our mission, we are reminded every day of the generosity of the human spirit. Through your philanthropy, we are able to provide a family-centered environment where our young patients can access the most advanced treatments through the leadership of some of the best minds in pediatric medicine and research. Now more than ever, as greater numbers of families find themselves in the unfortunate situation of visiting the hospital without means to pay for healthcare, philanthropy impacts our work..." - [Thomas J Sullivan](#) President, Children's Memorial Foundation

Inspiration...

"...One hundred years from now, it will not matter what my bank account was, how big my house was, or what kind of car I drove. But the world may be a little better because I was important in the life of a child."

- Forest Witcraft

"We make a living by what we get, but we make a life by what we give."

- Winston Churchill
